About Us

The Orange County Inland Empire Small Business Development Center (SBDC) Network is comprised over 100 small business owners and small business experts that are here to assist each client with one-on-one consulting and training. Our job is to assist each client with reaching a new level of success. When a client comes to us, they are sitting across the table from an expert, who has been in the client's shoes. The work our consultants do with each client is hands-on, customized, and always confidential.
