

STAFF REPORT
CITY OF PALM DESERT
CITY COUNCIL DEPARTMENT

MEETING DATE: January 13, 2022

PREPARED BY: Niamh M. Ortega, Deputy City Clerk

REQUEST: Approval of the 2022 City Council Liaison Assignments

Recommendation

By Minute Motion, approve the 2022 City Council Liaison Assignments as proposed, or as may be modified during discussion at the meeting.

Strategic Plan

This request represents routine administrative business of the City. Although there is no specific Strategic Plan objective to associate with this item, it provides the City Council and the public with advance notice of liaisons to committees of interest to the community as well as information filed with the Fair Political Practices Commission relative to Councilmember stipends earned from outside appointments.

Background Analysis

The City of Palm Desert has formed a wide variety of committees and commissions over the years to act as advisory committees to the City Council. These committees enlist the expertise and guidance of many Palm Desert residents and community volunteers, and members of the City Council are appointed by the Mayor to serve as liaisons, working together towards a common goal.

The 2022 City Council Liaison Assignments List was developed by the Mayor in consultation with her colleagues. In order to accommodate Councilmembers' busy schedules, there is an allowance for Primary Attendee(s) to designate additional Councilmember alternates to attend various standing meetings on a case-by-case basis when both Primary Attendee(s) and Alternate(s) are unavailable.

Committee and commission meetings have been conducted in a virtual setting through Zoom for much of the past year. Addressed in another staff report on the January 13, 2022 Council meeting agenda, it is staff's recommendation that these meetings continue virtually and be reassessed at a later time both with respect to the current public health conditions and available options with the pending technology upgrades to the Administrative Conference Room and the remodel of the Council Chambers.

Additionally, provided for your reference is a copy of the current (as of January 28, 2021) Fair Political Practices Commission's (FPPC) Form 806 – Agency Report of Public Official Appointments, directly related to this annual action. The form, required by the FPPC since 2012, and posted on the City website under the City Clerk Department subpage *Public Official Appointments*, provides the public with information about stipends paid to public officials for their service on other local and regional boards beyond what is provided as an elected Palm Desert City Councilmember. Posting it, in lieu of Councilmembers abstaining from the vote on specific appointments to these stipend-paying bodies, has been the City's practice since the rule was imposed nine years ago.

Once action is taken to approve the City Council Liaison Assignments Roster, the City Clerk's Office will update the FPPC Form 806 and post it to the City website accordingly.

Fiscal Analysis

There is no fiscal impact associated with this action.
