In accordance with the requirements of AB 987, passed by the California State Legislature, a worksheet describing existing and substantially rehabilitated housing units developed or otherwise assisted with Low- and Moderate- Income Housing Funds, including units counted to meet inclusionary and replacement housing obligations, is posted below for public review. Please be aware that this is only a listing of affordable housing that has been assisted with Low- and Moderate- Income Housing Funds: it is not a listing of currently available housing. The Agency is not liable or responsible for any errors or omissions in the list or for any actions by an person, firm, or entity as a result of the posting of this list. The database is updated once annually.
