Dear Resident:

Pulte Group is excited to bring Del Webb Explore community to the City of Palm Desert. Del Webb Explore will have 332 single family homes with a centralized amenity center and walking trails throughout the community. The amenity center will have a clubhouse, recreational pool, lap pool, pickleball courts, bocce ball, and putting green. We anticipate having our grand opening during the 3rd quarter of 2025.

This letter is to inform you that we will be having a community engagement meeting with our existing neighbors on **February 4, 2024 at 6pm**. The meeting will be held in the City Council Chambers, you are invited to attend.

During this meeting Pulte will present and discuss the proposed landscape within the open space lot in between the existing community and Del Webb Explore proposed residential lots, perimeter wall, reiterate action plan, and project drainage. We will provide a presentation of this material at the meeting.

The Community Engagement Meeting will begin at 6pm on Tuesday, February 4, 2025 at City Council Chambers, City of Palm Desert.

Sincerely,
