REQUIRED AT TIME OF APPLICATION SUBMITTAL

Precise Plan Application Fee: [Fees | City of Palm Desert](#)

REQUIRED AT TIME APPLICATION IS DEEMED COMPLETE

Environmental Documentation Preparation: Amount*, if any, is dependent on the Environmental Assessment and will be based on the full cost of preparing the required documentation (Negative Declaration, Mitigated Negative Declaration, or Environmental Impact Report). Dependent on the document, a minimum deposit amount will be required which is based on the estimated full cost of reviewing the required documentation. Please note, the amount of the deposit is an estimate, an additional deposit amount may be required to cover the actual costs of the documentation preparation if the fees exceed the initial deposit amount. After all costs have been applied to the deposit(s) remaining funds, if any, will be refunded accordingly. The required environmental documentation as well as the amount of the required minimum deposit amount will be identified in the City's Letter of Completion issued at the time the application is deemed complete. If it is determined the project qualifies for an exemption from CEQA, no preparation fee is required.

REQUIRED AT TIME APPLICATION IS SCHEDULED FOR PUBLIC HEARING

7. PRIMARY REPORTS AND STUDIES

Public Hearing Notice Mailing Labels

The applicant shall provide the Department of Development Services with three (3) copies of adjacent owners and their addresses for all parcels. Information on information required and applicable radius can be found in [Palm Desert Municipal Code Section 25.60.060](#).

SECTION III – PROCEDURES

1. Schedule a time to discuss the preliminary project plans and zoning with Planning Division staff and other City departments for project requirements, including necessary application submittals. The General Plan should be consulted for land use and street improvements.
2. Submit a completed Precise Plan application, with all required signatures, application fee, an Environmental Assessment Form, radius map and mailing labels, and any other applications (i.e. Design Review, Conditional Use Permit, Tentative Tract Map).

**CITY OF PALM DESERT
VARIANCE APPLICATION**

3. Staff will review the application and determine if it is complete within 30 days from the date the project is submitted. The application will not be processed if it is incomplete. After the application is deemed complete, the project is circulated to other City departments and local agencies for comments and conditions.
4. City staff will present the project(s) to the Architectural Review Commission (held on the 2nd and 4th Tuesday of each month) after staff's initial 30-day review period when comments have been received from other departments and agencies. The Architectural Review Commission hearing may be delayed if the project is deemed incomplete within the 30-day review period or if any changes are required because of conditions of approval that affect the site plan, architecture, and/or if the project does not meet one (1) or more required zoning development standards.
5. After the project receives Design Review approval from the Architectural Review Commission, Planning staff will prepare a staff report and schedule the project for the Planning Commission (held on the 1st and 3rd Tuesday of each month). Planning staff will publish and mail a legal notice to adjacent property owners/tenants 10 to 21 days before the meeting and advertise the public hearing . There is a 15-day appeal period from the day of a decision taken by the Planning Commission.
6. If the project involves a Change of Zone, General Plan Amendment, Development Agreement, exceptions, or if the project is appealed or called up for review, City staff will schedule a public hearing with the City Council (held on the 2nd and 4th Thursday of each month). Staff will prepare a staff report, and publish and mail a legal notice to adjacent property owners/tenants 10-21 days before the meeting. This process is approximately two to four (2-4) weeks after the Planning Commission decision and approximately eight (8) to 12 weeks after the project has been submitted.
7. After the Building and Safety Department reviews the final working drawings, staff presents the construction plans to the designated Architectural Review Commission Subcommittee to confirm substantial conformance with the originally approved design.
