#### **SECTION II - SUBMITTAL ITEMS CHECKLIST**

#### 1. FILING FEES

Application related filing fees are to be paid at the time of application. As part of the submittal process the receipt showing payment of fees which will be copied and submitted along with the other application materials. CEQA related fees are to be identified and paid at the time the application is deemed complete.

#### REQUIRED AT TIME OF APPLICATION SUBMITTAL

Conditional Use Permit Application Fee: Fees | City of Palm Desert

#### REQUIRED AT TIME APPLICATION IS DEEMED COMPLETE

Environmental Documentation Preparation: Amount\*, if any, is dependent on the Environmental Assessment and will be based on the full cost of preparing the required documentation (Negative Declaration, Mitigated Negative Declaration, or Environmental Impact Report). Dependent on the document, a minimum deposit amount will be required which is based on the estimated full cost of reviewing the required documentation. Please note, the amount of the deposit is an estimate, an additional deposit amount may be required to cover the actual costs of the documentation preparation if the fees exceed the initial deposit amount. After all costs have been applied to the deposit(s), the remaining funds, if any, will be refunded accordingly. The required environmental documentation as well as the amount of the required minimum deposit amount will be identified in the City's Letter of Completion issued at the time the application is deemed complete. If it is determined the project qualifies for an exemption from CEQA, no preparation fee is required.

#### REQUIRED AT TIME APPLICATION IS SCHEDULED FOR PUBLIC HEARING

CEQA Filing Fee: Contact Planning Division for updated fee\*\*

State Department of Fish & Game Fee: This fee will be identified in the City's Letter of Completion issued at the time the application is deemed complete. If the project is deemed to be exempt from CEQA there will not be a fee.\*\*

- \* Payable to the City of Palm Desert
- \* \* Separate check payable to the County of Riverside

#### 2. APPLICATION

The Planning Application form must be completed including the project description, requested information, and ownership signatures.

#### 7. PRIMARY REPORTS AND STUDIES

**Preliminary Title Report:** A preliminary title report dated within 30 days of the application submittal date shall be provided.

#### **Notice Mailing Labels**

The applicant shall provide the Department of Development Services with three (3) copies of adjacent owners and their addresses for all parcels. Information on information required and applicable radius can be found in <a href="Palm Desert Municipal Code Section 25.60.060">Palm Desert Municipal Code Section 25.60.060</a>.

#### 8. SUPPLEMENTAL REPORTS AND STUDIES

**Traffic Impact Analysis:** Unless specifically waived by the Land Development Engineering Division, a traffic analysis prepared in accordance with the latest adopted County of Riverside Transportation Analysis Guidelines shall be submitted as part of the application submittal packet. The Land Development Engineering Division is to be contacted with any questions as to whether a memo or study is required per the Scoping Letter to establish the site-specific requirements of the memo or study. The analysis shall evaluate project impacts of Vehicle Miles Traveled (VMT) and Level of Service (LOS) using the latest guidelines adopted by the Land Development Engineering Division.

**Community Engagement Plan:** All development projects shall conform with Palm Desert Municipal Code Section 25.60.160 Community Engagement. Review the code to determine applicable submittal requirements: <a href="https://ecode360.com/43850744">https://ecode360.com/43850744</a>

**Noise Study:** A noise study is required if after adequate review of the proposed project, through either the City's pre-application review service or formal application process, it is determined by the Planning Division Staff that this information is required for compliance with the California Environmental Quality Act or as part of the operations of the proposed project. The study shall be prepared in accordance with Planning Division guidelines.

**Water Supply Assessment (WSA):** When required in accordance with California Water Code Section 10910 et seq., applicants shall submit a WSA prepared in accordance with the requirements of State Law and the Coachella Valley Water District.

**Energy Capacity Analysis:** It is highly recommended for Applicant to complete a "Completion of a Customer/Project Information Sheet" (CPIS) from Southern California Edison (SCE) and submit to SCE. Proof of CPIS submittal is recommended at time of Conditional Use Permit application and may be required as a condition of approval of the project.

#### **SECTION III - PROCEDURES**

- 1. Schedule a time to discuss the preliminary project plans and zoning with Planning Division staff and other City departments for project requirements, including necessary application submittals. The General Plan should be consulted for land use and street improvements.
- 2. Submit a completed Planning application, with all required signatures, application fee, an Environmental Assessment Form, the required public hearing notice mailing labels, and any other applications (i.e. Design Review, Conditional Use Permit, Tentative Tract Map).
- 3. Staff will review the application and determine if it is complete within 30 days from the date the project is submitted. The application will not be accepted for processing if it is missing any submittal exhibits. After the application is deemed complete, the project application will be circulated to other City departments and local agencies for comments and conditions. Once comments and conditions are received, City Staff will prepare the item for CEQA review, and public hearings.
- 4. If the project proposes exterior modifications that require Design Review Approval, City staff will present the project(s) to the Architectural Review Commission (held on the 2<sup>nd</sup> and 4<sup>th</sup> Tuesday of each month) after staff's initial 30-day review period when comments have been received from other departments and agencies.
- 5. Once conditions are received, and preliminary approvals are granted, Planning staff will prepare a staff report and schedule the project for the Planning Commission (held on the 1<sup>st</sup> and 3<sup>rd</sup> Tuesday of each month). Planning staff will publish and mail a legal notice to adjacent property owners/tenants 10 to 21 days before the meeting and advertise the public hearing.

The Planning Commission will consider their decision to grant the CUP based upon the findings of PDMC 25.72.050

There is a <u>15-day appeal</u> period from the day of a decision taken by the Planning Commission. Any appeal of the decision will be presented to the City Council.

- 6. If the project involves any other City Council Decision, exceptions, or if the project is appealed or called up for review, City staff will schedule a public hearing with the City Council (held on the 2<sup>nd</sup> and 4<sup>th</sup> Thursday of each month). Staff will prepare a staff report and publish and mail a legal notice to adjacent property owners/tenants 10-21 days before the meeting. This process is approximately two to four (2-4) weeks after the Planning Commission decision and approximately eight (8) to 12 weeks after the project has been submitted.
- 7. After the Building and Safety Department reviews the final working drawings, staff presents the construction plans to the designated Architectural Review Commission Subcommittee to confirm substantial conformance with the originally approved design.
